

Proposal for Lagos Interiors

Prepared by FUTUREUNI

REFERENCE	PREPARED	VALID UNTIL
PRP-NG0001	1 Oct 2026	25 Oct 2026

1 Understanding your situation

Your current website takes over eight seconds to load on mobile and hides your contact details, so enquiries are slipping away before they reach you.

2 Proposed solution

A fast, modern business website with a clear, prominent enquiry path, built mobile-first.

3 Scope and deliverables

Design, build and launch of up to six pages, with your content and a simple enquiry form.

4 Timeline

The work runs over four to six weeks from kick-off, in stages you review as we go.

5 Investment

The investment below covers design, build and launch, with no hidden extras.

Item	Qty	Unit price	Amount
Business site	1	₦1,800,000	₦1,800,000
Care plan (3 months)	3	₦100,000	₦300,000
Subtotal			₦2,100,000
Discount			-₦105,000
Total			₦1,995,000

Prices valid until 25 Oct 2026.

6 Why FUTUREUNI

We build fast, accessible websites for growing Nigerian businesses and stay close through launch.

- Kano Textiles online store — 35% more enquiries in three months

7 Terms and validity

A deposit begins the work and the balance is due on launch. The quote is fixed for the validity period.

8 Next steps and acceptance

Reply to accept and we will send the kick-off details and the first set of questions.
