

Proposal for Bristol Fintech

Prepared by FUTUREUNI

REFERENCE	PREPARED	VALID UNTIL
PRP-UK0001	1 Oct 2026	25 Oct 2026

1 Understanding your situation

Your onboarding flow loses users at the identity step, and your sign-up conversion has fallen over the last two quarters.

2 Proposed solution

A redesigned onboarding flow that removes friction at the identity step and guides users to activation.

3 Scope and deliverables

Discovery, flow redesign, a clickable prototype and a build-ready specification.

4 Timeline

A focused engagement over five to seven weeks, with a prototype in week three.

5 Investment

The investment below covers the full redesign engagement.

Item	Qty	Unit price	Amount
Flow redesign	1	£4,500.00	£4,500.00
Subtotal			£4,500.00
Tax (20.0%)			£900.00
Total			£5,400.00

Prices valid until 25 Oct 2026.

6 Why FUTUREUNI

We design calm, accessible product flows and measure the outcome, not just the pixels.

- Leeds SaaS onboarding redesign — 22% higher activation

7 Terms and validity

Half to begin and half on delivery of the specification. The quote is fixed for the validity period.

8 Next steps and acceptance

Reply to accept and we will schedule the discovery session.
